PROFILE

Hi, I'm **IBANZE Miracle**, a passionate web developer with expertise in **front-end** and **back-end** technologies. I specialize in building **responsive, user-friendly applications** using **React.js**, **Tailwind CSS**, **Node.js**, and **Express**. I've worked on projects like **IMMovies**, **E-S Mukingi**, and **IMConnect**, where I've focused on delivering seamless user experiences and high-quality web solutions. Let's connect and build something amazing!

PROFESSIONAL EXPERIENCE

Freelance web developer   ruhango, Rwanda
self-employed

- Built **IMConnect**, a **full-stack platform** for seamless user communication, utilizing **Node.js**, **Express**, and **React.js**. Designed to enable efficient interaction and real-time data synchronization between users.
- Developed and deployed other front-end applications like **IMMovies** and **E.S Mukingi** leveraging technologies such as **React.js**, **Tailwind CSS**, and **Vite** to create engaging, responsive user experiences.

SKILLS

Frontend
HTML5, CSS3, SASS, Tailwind CSS, JavaScript, React.js.

Version Control and Deployment:
- **Version Control**: Git, GitHub.
- **Deployment**: Vercel, Netlify, render

Backend
Node.js, Express, MongoDB, WebSockets, Socket.io

Soft Skills:
Problem-solving, Teamwork, Communication, Time Management

PROJECTS

IMConnect 🔗
Full-Stack Web Application | React.js, Node.js, Express, MongoDB, Socket.io
A real-time communication platform with **React.js** (frontend) and **Node.js/Express** (backend), featuring **Socket.io** for real-time messaging, user authentication, and post-sharing capabilities.
- Enabled real-time messaging and post-sharing with **Socket.io**.
- Implemented secure user authentication.

E.S.Mukingi
Frontend Web Application | React.js, Tailwind CSS
A school information platform built with **React.js** and **Tailwind CSS**, designed to showcase school events, news, and announcements with a focus on user engagement.
- Delivered a responsive, user-friendly interface.
- Enhanced communication and engagement for school stakeholders.

EDUCATION

High school   2021 – 2024
Mukingi Secondary School 🔗   ruhango, Rwanda
- Focused on Mathematics, Computer Science, and Economics.
- Developed the school's official **frontend website** using **React.js** and **Tailwind CSS**, enhancing communication and engagement.
